## Joseph Anton-Meehan

Vision Engineer  
Vision Guarantee  
Vision Supervisor

This CV may be kept on file and distributed for employment purposes

### PROFILE

Outside broadcast guarantee systems engineer with a demonstrated history of providing world-class facilities for a volume of clients around the globe, across a variety of genres, on-location and on remote productions. Joseph possesses skills to operate a range of equipment, including but not limited to; deploying and configuring standard and supermotion Sony camera channels; Gigawave and Vislink RF microwave links; Sony MVS series vision mixers; Tallyman, ProBel, Leitch, Evertz EQX, Miranda and Blackmagic Design router and UMD control systems; Harris, ForA, and Decimator Design multiviewer systems.

Progressing from the role of Vision Engineer to Engineering Manager at Televideo Outside Broadcast in under three years, Joseph is now looking to increase the variety of work available through freelancing.
