Malcolm Thorp – Dubbing CV

Dubbing Mixer

This CV may be kept on file and distributed for employment purposes

PROFILE

Malcolm is a Dubbing Mixer with 20 + years experience. He began his training at various Soho facilities before going freelance.

He can operate Pro Tools to a very high standard as well as Nuendo, Reaper and Audition if required.

Either working at your facility or remotely, he can bring to the mix his fully owned and licenced sound effects library or create specific sound design to your requirements with his location sound recording kit.

Something recorded in a noisy environment or is partly compromised? He may be able to help with his Cedar and RX audio repair software.

File delivery as specified.
