## Steffan Jones

## Racks Engineer

This CV may be kept on file and distributed for employment purposes

### PROFILE

Steff is a Racks Engineer with over 6 years experience having worked on a broad variety of television programmes from light entertainment, drama, news, sport and most types of OBs.

He has a broad knowledge and understanding of Racking and their OCP operating systems and is very familiar with the majority of OCP's, including both the Sony and Grass Valley OCP's.

Steff brings with him a track record, a wealth of knowledge, ability and creativity.
