# Tom Kemp

## Vision Engineer

This CV may be kept on file and distributed for employment purposes

### PROFILE

Tom has 10 years worth of experience working in the TV & Entertainment industry and for the last 7 years has been working as a freelance Vision Engineer in the UK & Australia.

Tom is extremely adaptable and has covered a variety of different jobs in vision:

- CCU & MSU Operator
- Equipment prep & maintenance, testing & cable repair
- Fault finding & DVB systems diagram understanding
- Good knowledge of both baseband digital video & HD-SDI and RF
- Experience in both Sports & LE filming

Tom is confident as a vision supervisor and as a outboard engineer is thorough and well-practiced.
